Brings you a variety of Dance Works!

Performed by the acclaimed UT ensemble Dance Repertory Theatre, *Catalyst* brings unique and compelling dance works by nationally renowned choreographers to the stage. A highlight of the concert includes Israeli choreographer Ohad Naharin's (Artistic Director of Batsheva Dance Company) sharp and humorous *Minus 16*. Breaking down barriers between performers and audience, *Minus 16* captivates with dynamic movement and music, including traditional Israeli music, mambo, techno and Dean Martin.

Other work in *Catalyst* includes the world premiere of David Justin's *Dance In Thy Soul*, a contemporary ballet created to the music of Jazz trumpeter and composer Dave Douglas. Charles O. Anderson's *Rite*, inspired by the writings of the late American science fiction writer Octavia Butler, captures the shifting social, economic and ecological climates of the 21st century.
