Music by Harvey Schmidt, Book and Lyrics by Tom Jones
The world's longest running musical and Austin Playhouse's first smash hit returns! The magic of the theatre comes alive in this immensely popular fairy tale for all ages.

The story of a young boy and girl who fall madly in love at the hands of their meddling fathers, but soon grow restless and stray from one another. Will their separation provide a deeper appreciation for the love they once shared- or create a permanent gulf between them?
